Morning Assembly

Daily morning assembly is conducted separately for pre-primary and senior school. It is conducted house wise and children of the House on Assembly duty have to participate actively. This develops confidence and removes stage fear.

House Duties

Four House : Shem Red, Shem Blue, Shem Green, Shem Gold.

Various duties are allotted to all four houses on a rotational basis in order to make the children active, confident, smart and responsible. The major areas of duties are Assembly, Neatness and Cleanliness, Discipline and Bulletin board duties. Office bearers of different houses carry out these duties on a rotational basis.

Students' Council

The School also supports a unique system of students' government comprising various ministries. The main ministries are Ministry of-

| 1. Creative arts | 2. Cultural Affairs | 3. Home and external affairs |
| 4. Sports | 6. Science | 7.I.T. 8. Mathematics |
| 9. Law & Justice. | 10. Literary Affairs | |

For each ministry the cabinet minister is always a teacher and State & Deputy ministers are students along with other student members in each ministry.

This governing council is expected to carry out duties in their respective areas. This system helps the students to understand the political system and it also helps them to become responsible and confident. This learning is very fruitful in their future life.

Executive and Judiciary

Apart from students' council, house and class prefects work as Executive & Judiciary.

Apart from students' council and executive an independent system of courts is also followed. Three levels of judicial courts comprising (like real life courts) students as judges and lawyers are established to settle day today disputes. System of appeal to higher courts is also followed.

Inter House Competitions.

Besides assembly school also holds Inter House Competitions in all areas i.e. Cultural, Literary and Sports etc to create a healthy competition among students and to bring out the best in them. House teachers train the students for such competitions but parents and students are also expected to put in their efforts.

Inter School Competitions

The school provides a platform to children for various Inter School Competitions. From time to time the school sends children to participate in various I.S. Competitions and at times school gives the information for such Competitions so that the students can participate, accompanying their parents.

Antaragni Inter-School

It is a grand event organized by school whereby children get a chance to participate in dance, drama, music and sports. Antaragni I.S. is an Inter-School event, where students from all over India are invited.

School App.

The school has launched an e-school app for a better connectivity with parents. You can check your fee, attendance, H.W., almanac messages, school information, annual calendar, year planner, list of holidays, results, exam marks etc. All contact numbers department wise, are displayed. We expect all parents to use this app for accessing all information regarding your child and the school.

Teacher Guardianship

This is a unique system of the school. Under this system teachers visit the homes of students to establish a rapport and to seek parent's co-operation. This system helps in better adjustment of students and better understanding of parents.

Initial Adjustment Of The Child

Some young children may enter pre-school with a great deal of composure and self assurance, while others may feel very insecure and need their mothers or someone close to them by their side until they feel comfortable in the new surroundings. Some children may even show a lot of eagerness when first talking about school, but when the great day comes, they may cling to their mothers and show unwillingness to remain at school by themselves. This reluctance may be temporary and if handled properly will be minimal. We should remember, that this is the first time, the child may be separating from the parents for such a long time and thus we should make this weaning from home gradual and smooth. The following suggestions will help you as parents to make your child's adjustment in school easier.

- a) Prepare the child for the school. Explain that school is a place where many children come to play, sing and hear stories. Also that they can play and have fun with various toys.
- b) Be prepared yourself to accompany your child to the school for about two or three weeks, so that the child feels that the school is a secure place. For the first week the mother/father is required to collect the child early, which will gradually help the child to accept the school.
- c) If you are over anxious or act annoyed or show reluctance to remain with the child at school, the child may feel even more upset. So be patient, and don't push the child settle in school faster.
- d) Though in the beginning, the child will cling to you, gradually you should try and let him/her do things on his/her own.
- e) When you are leaving the school premises, make sure that you wish the child good-bye and then leave promptly. If you try to sneak out when the child is busy playing, it will make adjustments more difficult.

Special Note : Kindly co-operate with the school authorities in relation to the expectation from you at all times, especially in the initial stages of the child's adjustment to the new environment.

EDU-TRIP POLICY

The following policy should be adhered to on every occasion when students are taken out of the school.

Parents will be intimated about field trips either through the diary or a circular.

In situations where the field trip extends beyond school hours, parents are expected to pick their children from the school.

Over and above the regular field trips, various overnight and optional field trips are organized by the school at an additional cost to the parents. The same will be communicated through a circular.

Students must come in proper school uniform & must have their ID Cards.

The school takes adequate safety measures, precautions and also necessary care during transit. However, the School Management or the transporter shall not be held liable for any injury, accident or damage. The school will also not be responsible for the loss of any item/article during the journey.

FEE SUBMISSION POLICY

Please ensure that the school fee is submitted on time and is submitted by the 10th of every month; but in case the 10th is a Sunday or a holiday, then the fee must be submitted on the very next day.

Payments can be made through, cheques , cash and Online.

After the due date of fee payment, fee shall only be accepted with fine of Rs. 50 per week, by the Accounts Officer. If the defaulter fails to pay fee along with the fine within one month of the expiry of the due date, a second warning will be sent by the School Head to the parents and the child will be debarred from attending classes and from taking the school examinations. The School Leaving Certificate / Transfer Certificate will not be issued until all outstanding dues are cleared.

If the fee, along with the fine is not paid for two consecutive installments, the name of the child will be struck off the school rolls.

The fee and other charges are subject to change from time to time. Parents will however be informed of any such changes.

The school will have the right to charge fine, if library books are not returned on time or in a proper condition

WITHDRAWAL POLICY

If a student has to be withdrawn from the school, parents are required to clearly give one calendar month's notice in writing to the Account Officer, failing which, fee will be charged for the said period.

Application for the School Leaving Certificate should be submitted in writing to the Principal. Processing of the same would take some time.

TRANSPORT POLICY & BUS RULES

"Safety first is safety always".

Transport Policy

Students can avail the School transport on payment. The routes of the school vans/buses are drawn up and the parents should consult the school office for necessary details. The transportation fee will be charged based on the distance travelled by the operational bus route. Bus facility provided by the school is subject to feasibility of a bus route and availability of vacant seats in the bus. The feasibility of a bus route to school will be assessed by the transport in-charge. The suitability of the route will depend on load factor, distance and road conditions.

Students will be collected as near to their home as possible. However, they may have to walk a 'reasonable' distance to meet the transport. The pickup point will be determined by the transport in-charge. The responsibility for ensuring a child's safety in getting to and from the pick up/drop point rests with the parent.

Under no circumstances students or their parents/guardians shall force the bus employee to divert the route or change any pick-up or drop-off point allotted at the beginning of the year.

In case you wish to discontinue the bus facility, kindly give one month notice to the Accounts Officer in writing. Failure to notify the same will lead to paying of the transport fee for the month.

 - He/she has seriously broken school rules.
 - Allowing him/her in school would seriously harm his/her education or welfare or education of other children.
- 7-** **Expulsion** : The school will usually expel a child as a last resort after trying to improve the child's behaviour through above cited methods.

Suggestion to parents from the desk of child psychologist for behavioural management-

- Children need loving and comforting touches from parents daily to get connected.
- Each day at least one meaningful eye to eye conversation with the parent.
- There are 3 times a day which have greatest impact on the child.
- Three minutes after they wake up. 3 minutes after they come home from school, and 3 minutes before they go to bed.

Try These :

- Whenever you feel like scolding or beating your child take a deep breath & count 1-10.
- Encourage them to study their favorite subject on their own.
- Send them to one exam without studying.
- Remember what our kids are studying in the 5th grade, is taught in 7th grade abroad.
- Keep your child out of unwanted competition. 80% of what children are learning won't be of much use in their future.
- Our children can really afford to do whatever they want to be in future.
- Higher degrees don't guarantee success & happiness.
- Not all the highly educated people do well professionally; and not all those who do well professionally are the happiest ones.

- Kids are always in party mood. Don't spoil their childhood. Support and let them what they want to be.

Give them sound value system and don't let them to be indisciplined & insensitive.

Be the Role-Model for your child.

Attention Parents-some golden thoughts.

Tirukkural was written by Tiruvalluvar (a Tamil author), more than 5000 years ago. It is one of the ancient science on Human Behaviour, which has not changed, in spite of modern technology & education.

- If your children lie to you often, it is because you over react too harshly to their inappropriate behavior.
- If your children are not taught to confide in you about their mistakes, you have lost them.
- If your children have poor self-esteem it is because you advise them more than you encourage them.
- If your children do not stand up for themselves it is because from a young age you have disciplined them regularly in public.
- If your children take things that do not belong to them, it is because when you buy them things you don't let them choose, what they want.
- If your children act cowardly, it is because you help them too quickly.
- If your children do not respect other people's feelings, it is because instead of speaking, you order and command them.
- If your children are too quick to anger it is because you give too much attention to misbehaviour and you give little attention to good behaviour.
- If your children are excessively jealous, it is because you congratulate them only when they successfully complete and not when they improve at something even if they don't successfully complete it.
- If your children intentionally disturb you, it is because you are not physically affectionate enough.
- If your children are openly defiant, it is because you openly threaten to do something but don't follow through.

- ♦ If your child is secretive, it is because they are sure that you would blow things out of proportion.
- ♦ If your children answer back to you, it is because, they watch you do it to others and think its normal behaviour.
- ♦ If your children don't listen to you, but listen to others, it is because you are too quick to jump to conclusion.
- ♦ If your children rebel, it is because they know you care more about what others think than what is right.

Positive Parenting, please remember, a child's personality is determined by what they inherit from parents & what early environment they get at home. So be careful; parents give inheritance and family environment, both personality determinants to their children.

HELP YOUR CHILD TO LOOK FORWARD TO SCHOOL

- ♦ Be positive about the school and the teachers and learning in general.
- ♦ When you talk about any school experience, always be cheerful and confident.
- ♦ Encourage your child to talk about his/her day at school.

LUNCH

The school does not provide lunch. However it is advised to parents to send healthy and nutritious food in the tiffin, preferably vegetarian. Avoid sending junk foods in the tiffin.

FRUIT BREAK

The school gives emphasis on developing fruits eating habit in children. So we specially provide a fruit break and parents are requested to send chopped fruits in a separate tiffin with fork. Always send napkins, fork & spoon with the tiffin.

इतनी शक्ति हमें देना दाता

इतनी शक्ति हमें देना दाता, मन का विश्वास कमज़ोर हो ना
हम चलें नेक रस्ते पे हमसे, भूलकर भी कोई भूल हो ना
दूर अज्ञान के हो अन्धेरे, तू हमें ज्ञान की रोशनी दे ।
हर बुराई से बचके रहें हम, जितनी भी दे भली जिन्दगी दे ।
बैर हो ना किसी का किसी से, भावना मन मे बदले की हो ना ।
हम चलें नेक रस्ते पे हमसे, भूलकर भी कोई भूल हो ना ।
इतनी शक्ति हमें देना दाता मन का विश्वास कमज़ोर हो ना ।
हम ना सोचें हमें क्या मिला है, हम ये सोचें किया क्या है अर्पण
फूल खुशियों के बाँटे सभी को, सबका जीवन भी बन जाए मधुबन ।
अपनी करूणा का जल तू बहा के कर दें पावन हर एक मन का कोना
हम चलें नेक रस्ते पे हमसे भूलकर भी कोई भूल हो ना
इतनी शक्ति हमें देना दाता मन का विश्वास कमज़ोर हो ना ।

WE SHALL OVERCOME

We shall overcome, We shall overcome,
We shall overcome some day,
Oh deep in my heart, I do believe
We shall overcome someday.

We'll walk hand in hand, We'll walk hand in hand
We'll walk hand in hand, some day,
Oh deep in my heart, I do believe
We'll walk hand in hand some day

We'll not be afraid, We'll not be afraid
We'll not be afraid, some day
Oh deep in my heart, I do believe
We shall love each other some day.

We shall live in peace, We shall live in peace
We shall live in peace, some day,
Oh deep in my heart, I do believe
We shall live in peace some day.

सारे जहाँ से अच्छा

सारे जहाँ से अच्छा हिन्दोस्ताँ हमारा,
हम बुलबुलें हैं इसकी ये गुलिस्ताँ हमारा।

गुरबत में हों अगर हम, रहता है दिल वतन में,
समझो वहीं हमें भी, दिल हो जहाँ हमारा।

पर्वत वो सबसे ऊँचा हमसाया आसमाँ का,
यह सन्तरी हमारा, यह पासबाँ हमारा।

गोदी में खेलती हैं जिसकी हजारों नदियाँ,
गुलशन हैं जिसके दम से रश्के जनाँ हमारा

ऐ आबरु रुद ऐ गंगा वह दिन है याद तुझको,
उतरा जब तेरे किनारे जब कारवाँ हमारा।

मजहब नहीं सिखाता आपस मे बैर रखना
हिन्दी हैं हम वतन हैं, हिन्दोस्ताँ हमारा।

यूनानओ, मिश्रओ रोम सब मिट गये जहाँ से,
अब तक मगर है बाकी नामो निशाँ हमारा।

कुछ बात है कि हरती मिट्टी नहीं हमारी,
सदियों रहा है दुश्मन दौरे जमाँ हमारा।

इकबाल कोई मरहम अपना नहीं जहाँ में,
मालूम क्या किसी को दर्दे निहाँ हमारा।

I SALUTE MY FLAG

I salute my flag

It makes me proud

I am an Indian

It says out loud

Three bright colours

Adorn my flag

Saffron, white and green

Make me glad

The Ashoka Chakra

Blue on white

Spins for progress

Flying high
